

Dear Community Partners,

The focus of our mission for 2024 is the “Homeless Matters of Franklin County Day House” in Chambersburg, Pennsylvania. This house will provide the much needed void of the current community homeless, as well as providing resources for the underserved members of Franklin County. Currently we have three shelters in Franklin County that offer a limited number of beds and other resources for our growing homeless population. Our Day House will enable those people to receive adequate assistance they need during the day, as well as having access to resources such as food, medical, and day time shelter.

Homeless Matters relies heavily on the support from local organizations, whether volunteering time or financial support. Every partner plays a vital role in making a difference agents hunger and homelessness in our local community.

We are excited to announce our upcoming **1st Annual Winter Gala on September 7, 2024, from 6-10 at the Grant Street Loft**. An event flyer is enclosed highlighting the event and ticket information. Your sponsorship is vital to continue the mission of Homeless Matters.

Be a part of this momentous occasion by becoming a sponsor. Your donation will help provide foundational funding for our Day Center in Downtown Chambersburg.
